

Prospect UKAEA Wiki

~~hero-subtitle Your hub for Branch business~~

Prospect is the recognised trade union at UKAEA, and as a member you will be involved in negotiating over pay, conditions, safety, and our lives at work. Find out more on the ["About" page](#). This wiki is the central repository of information for the Branch. By its nature it is a living document and under continuous development. If you would like to help out with any of the [Things to Do and Fix on the Wiki](#), please get in touch with the [Branch Secretary](#).

Most content on the wiki will only be visible if you are [logged in](#). You can find a login/logout link on the menu access by clicking the spanner icon in the navigation bar at the top of the page. If you are using a phone, first click the "hamburger" button.
